<i>Acer pseudo-platanus</i>	Maple, sycamore (rock)
<i>Aegopodium podagraria</i>	Goutweed
<i>Ailanthus altissima</i>	Tree of heaven
<i>Alnus glutinosa</i>	Alder, european
<i>Amelopsis brevipedunculata</i>	Porcelain berry
<i>Berberis thunbergii</i>	Barberry, Japanese
<i>Berberis vulgaris</i>	Barberry, common
<i>Buddleja davidii</i>	Bush, butterfly
<i>Celastrus orbiculatus</i>	Bittersweet, oriental
<i>Coronilla varia</i>	Crown vetch
<i>Crataegus monogyna</i>	Hawthorn, English
<i>Cytissus scoparius</i>	Broom, scotch
<i>Elaeagnus angustifolia</i>	Olive, Russian
<i>Elaeagnus umbellata</i>	Olive, autumn
<i>Euonymus alata</i>	Burning bush
<i>Humulus japonicas</i>	Hops
<i>Iris pseudacorus</i>	Iris, yellow
<i>Ligusticum spp.</i>	Privet
<i>Lonicera japonica</i>	Honeysuckle, Japanese
<i>Lonicera spp.</i>	Honeysuckle, shrub
<i>Lysimachia nummularia</i>	Moneywort
<i>Lythrum salicaria</i>	Loosestrife, purple
<i>Miscanthus sinensis, sacchariflorus</i>	Silvergrass
<i>Pawlonia tomentosa</i>	Princess tree
<i>Phalaris arundinacea</i>	Grass, canary reed
<i>Phellodendron amurense</i>	Tree, cork
<i>Phragmites australis</i>	Reed, common
<i>Polygonum perfoliatum</i>	Vine, mile-a-minute
<i>Populus alba</i>	Poplar, white
<i>Puereria lobata</i>	Vine, kudzu
<i>Rhamnus catharticus</i>	Buckthorn, common
<i>Frangula alnus</i>	Buckthorn, glossy
<i>Rhamnus frangula</i>	Buckthorn, glossy
<i>Robinia pseudoacacia</i>	Locust, black
<i>Rosa multiflora</i>	Rose, Multiflora
<i>Rosa rugosa</i>	Rose, rugosa
<i>Sorbaria sorbifolia</i>	Spiraea, false
<i>Vinca minor</i>	Periwinkle
<i>Wisteria sinensis</i>	Wisteria, chinese

Invasive and Noxious Weed Plants of New York

This list represents most of the species that are federally recognized as weeds or ecologically recognized as invasive. Though some of these plants are native, none of them should be planted deliberately since they can cause serious economic and ecological damage. If any of these species are present on your property, try to plan and implement a management strategy to control the species.

<u>Plant name</u>	<u>Category*</u>
<i>Acer platanoides</i> (Norway maple)	LI
** <i>Acer pseudo-platanus</i> (Sycamore maple)	LI
<i>Agrostemma githago</i> (corncockle)	W
<i>Ailanthus altissima</i> (stinktree)	GI
<i>Alliaria petiolata</i> (garlic mustard)	GI
<i>Allium canadense</i> (wild onion)	W
