Re: Silo Ridge Resort Community

Dear Chairman Fontaine and Members of the Planning Board:

On behalf of Silo Ridge Ventures, LLC, we enclose the following application forms dated March 27, 2014, which replace and supersede the forms submitted to the Planning Board on October 7, 2013:

1. "Land Use Application" form for amended special use permit/master development plan approval, and site plan approval of the first phase of project;
2. "Subdivision/Lot Line Preliminary Plat Plan Application" form, for related subdivision approval;
3. "Special Permit and Site Plan Application Project Description" form, with a general description of the project and requested approvals (the complete description of the project site is contained in the Environmental Impact Statement for the Silo Ridge Resort Community previously accepted by the Planning Board, as lead agency under the State Environmental Quality Review Act);
4. Signed "Authorization of Agent" forms, from the owner of the project site as well as Harlem Valley Landfill Corp., the owner of the adjoining property, a portion of which is proposed to be subdivided and made part of the site; and
5. Signed owners/applicant authorization form.

Very truly yours,

PETER J. WISE
