RE: Change #5: Page 32 - Labels - Amended Master Development Plan

Dear David,

As we reviewed our latest Amended Master Development Plan booklet, we noticed a small error that did not transfer in our latest updates during the printing process. On Page 32, the labels for the Golf Villa homes within the table were not updated to the latest naming convention. Therefore, please find attached the latest page 32 showing the updated labels which are consistent with the MDP Drawings and all Site Plan Drawings.

Please feel free to contact us should you have any comments or questions.

Sincerely yours,

Juan C Torres
